

Integrated Training ***FOR YOUR ATHLETES***

GGT Athletes Now Have Immediate Access To First-Rate Injury Care.

Greg Gomez Trained Wrestling (GGT) has now partnered with Integrated Physical Medicine (IPM).

- If an injury is suspected, GGT athletes will be seen within 24 hours by an IPM Physician.
- If necessary, same day digital x-ray are available at ALL clinic locations.
- If an IPM physician feels your athlete should be seen by an orthopedic surgeon, she/he will be seen within 48 hours of injury. Or immediately at an ER if merited.
- Diagnosis and treatment recommendation will be reviewed with parents & athlete.
- In-house sports rehabilitation will be available if the injury requires it.
- **There is NO CHARGE for phone consultations, injury assessments and digital X-Rays performed at IPM on GGT athletes.**

To Schedule an Injury Assessment:

- 1) Dial the office number for the clinic closest to you.
- 2) Mention you are calling on behalf of a GGT Athlete and we will make sure you get an appointment within 24 hours of your phone call. Guaranteed!

For Questions Regarding Injuries/Treatment, call or email an IPM physician directly:

Integrated Physical Medicine clinics utilize safe and effective sports-medicine based rehabilitation protocols. Each clinic has all of the experience and equipment to ensure that every athlete gets the most comprehensive care in the area. Founded in 2009 by Dr. Jonathan Polcyn and Dr. Scott Kenny, IPM has focused primarily on aiding youth and high school athletes in their four locations and respective communities.
